

No.: **1.1.9** /CV/ĐT-TCKT
(Explanation of the audited consolidated
financial statements for 2025)

Hanoi, March 30, 2026

To: - The State Securities Commission of Viet Nam
- Hanoi Stock Exchange

In accordance with Article 14, Chapter III of Circular No. 96/2020/TT-BTC dated November 16, 2020, issued by the Ministry of Finance on guiding the disclosure of information on the securities market, Vietnam Electronics and Informatics Corporation (Viettronics) – stock code VEC on the UPCOM market – has prepared and published its audited consolidated financial statements for 2025.

Based on the regulations on information disclosure, the Corporation provides explanations for the fluctuations in some key financial indicators as follows:

1. The after-tax profit this year has shifted from a loss to a profit compared to last year:

According to the audited consolidated financial report for 2025, the after-tax profit figure has shifted from a loss to a profit compared to the same period in 2024:

- In 2025, business results shifted from a loss to a profit, with after-tax profit increasing by VND 146,242 million compared to 2024 (in 2024, the loss was VND 27,308 million)

2. Explanation for the variance:

The above variance is mainly attributable to the Corporation's recognition of financial income from the divestment of an associate in 2025. This income was generated in accordance with the Corporation's investment portfolio restructuring plan.

Vietnam Electronics and Informatics Corporation provides this explanation to ensure full and transparent disclosure of material fluctuations in the aggregated financial statements for 2025 compared to 2024, thereby enabling regulatory authorities, shareholders, and investors to accurately assess the Corporation's financial position and operating results.

The Corporation hereby confirms that the disclosed information is true, accurate, and in full compliance with the prevailing regulations on information disclosure in the securities market

Sincerely.

DEPUTY GENERAL DIRECTOR
